

About Us

We are just a normal family of 5 (6 if you include the dog) that enjoy sharing our experiences we live and work in the UK, We love to travel and spend our free time outdoors enjoying the world. we started our blog in Feb 2017, As well as running our blog we have over 10 years of experience running & designing websites.

About your blog

iDadGB is a quality, family blog pack full of resource that inspires families to get out there and enjoy what the world has to offer. We provide information on a number of products, Day's Out, travel stories and practical information to help inspire families with young kids. We are dedicated to producing the best quality, honest content to our readers to both help them and cultivate trust.

Between our websites and our social media channels, *iDadGB* is a great way to reach thousands of young families. In addition to our site, readers find us on Facebook, Twitter, Instagram, Pinterest and YouTube.
